- Your membership must be active through the end of the term (May 23, 2025.)
- Registration is online at acadiaseniorcollege.org/courses.
- Registration is first come, first serve. Many courses fill quickly – there is no guarantee that there will be space available.
- If a course is full, we encourage you to join the waiting list. Spaces do open up sometimes, and in other cases the instructor may add students from the waiting list.
- Registration by phone or email begins at 10:00 a.m. on February 12th (one hour after online registration opens) as space permits.
- Phone assistance is very limited for the first two hours of registration – there is only one phone line and one person!
- If a class has assigned books, they will be available for pick up at Sherman's in Bar Harbor one to two weeks before the start of the term. We will notify you when they are available. Books and supplies are included in your course fee.
- **For Zoom classes with an assigned book, students who are out of the area will be responsible for purchasing their own book, but may request reimbursement from ASC. Local Zoom students may still pick up their books at Shermans. ASC does not mail books.**
- Registration requests received after February 24, 2024, may be honored with instructor approval. In these cases, students must purchase their own books, if applicable.
- As a courtesy, please let your instructor(s) know if you cannot attend a class session.

Member of another senior college? Please call or email ASC (207-288-9500, learn@acadiaseniorcollege.org) to register.

Instructor using a course credit? Contact ASC *before* registration so we can add a course credit to your account. When you register, the credit will be applied automatically on the checkout page. If you haven't contacted us before registration, go ahead and register online as usual and choose "Pay by check." Then contact the office to confirm your registration.

In-person classes

Please check course descriptions on the website for class locations. ASC follows the school (AOS91) cancellation policy. If school is cancelled, ASC classes will also be cancelled. In the event of a delay, classes that start within the delay period will also be cancelled. In some cases a class may move to Zoom or it may be rescheduled. Cancellation notices will be posted on our website and email notifications will be sent.

Zoom classes

Students registering for a Zoom class or hybrid Zoom section will receive the Zoom link the day before the first class session. The Zoom link is the same for all class sessions.

Hybrid classes

Hybrid classes offer two sections, one in-person and one Zoom, at the same time. Please register for one *or* the other. Plan to attend the section you have registered for. In the event of illness, unexpected travel, weather or other conditions students in an in-person section may request a Zoom link for a specific class.

Recording policy

Zoom and hybrid classes are recorded to allow students to make up a missed session or review material. Links to the recordings are sent to registered students by request only. The following permission is granted by those registering for a Zoom or hybrid course: “I grant permission for a recording or online streaming of this course that may include my image or voice and give permission for the use of such recording.” Recordings are for registered class students only – please do not share the links.

*Scholarships are available.
